## Debrief Introductions - 5 minutes

Take a moment to introduce each other:

- Name
- Role (admin., teacher, instructional coach, specialty teacher, etc.)
- Region
- School/District or BOCES
- One fun fact about yourself
- Person who traveled the furthest to view the eclipse. (This person will be the group facilitator.)

## Group Facilitator - 5 minutes

The person who traveled furthest to see the eclipse is your group Facilitator.

The Facilitator asks for group volunteers to serve as:

- Time Keeper - remind the group of the time as needed.

The Facilitator navigates the group through the rounds of prompts, ensuring each group member has an opportunity to share.

# Reflection Prompt #1

(20-25 minutes)

- Select one or two key takeaways from this module that particularly made an impact upon you and share how you will (or already do) implement these concepts in your role as a teacher or administrator.
- If you are a teacher prep faculty member, how are you implementing learning from this module in your higher education classes or work?

\*Tip - these questions are in the debrief outline for easy access.

#1

*We will now move you into breakout rooms - enjoy your conversations! We will reconvene you here in 20 minutes and then assign you to a new breakout room to discuss the second set of prompts.*

# Reflection Prompt #2

## (20 minutes)

- Quick introductions by name and location.
- Select a facilitator based on who was born the furthest distance from where they live now?
- Ask for a volunteer to keep time.
- **What ideas are you considering for your training or action plan?**
- **Do you foresee any challenges to the development/implementation of your plan?**
- **Do you have questions with which your fellow VEs might assist?**

**(Please use this time as an opportunity to share and learn from each other.)**
